

# MATERIALS

## FOR CRICUT & SILHOUETTE

### VINYL PROJECTS

#### **Permanent Vinyl**

- Permanent adhesion
- Outdoor safe
- To be used on mugs, car decals, signs, etc.
- Glossy finish

*You will need transfer tape as well*

#### **Removable Vinyl**

- To be used in temporary surfaces or as a stencil
- Matte finish

*You will need transfer tape as well*

#### **Stencil Vinyl**

- Temporary
- Used as an inexpensive way to make intricate stencils
- Can be applied to any surface

*You will need transfer tape as well*

#### **Heat Transfer Vinyl**

- Permanent
- Ideal for fabric projects

*You will need an iron or heat press to apply it*

#### **Transfer Tape**

- Used to transfer designs onto final surface
- Keeps vinyl pieces in place
- Used with permanent, removable, and stencil vinyl

**Where to Buy:** Any craft store, such as Michael's, and many big box stores, such as Target. We recommend avoiding unknown brands when ordering online.
